

# Commitment Letter for Cornerstone Academy 2023-2024

This letter is to inform Cornerstone Academy of our intent to enroll our student

\_\_\_\_\_, for the 2023-2024 school year. She/he will be going into

\_\_\_\_\_ grade. Any before and after care arrangements will need to be made upon enrollment. Any non-attendance days for the school year are considered before and after care. If Springing Up is open, these students are eligible to attend. This includes long breaks such as Christmas Break or Spring Break.

If you **DO NOT** need Before and After School Care, your child will need to be at school no earlier than 8:15 am and be picked up no later than 3:40 pm. On non-school days your student/s will not be eligible to come to SU if arrangements have not been made.

If for some reason Cornerstone Academy will not be in school due to weather, we will contact parents via text or email. Be advised that classes may be in session even if there is bad weather. We often have class even when Ray-Pec does not due weather. Why? Because we do not have to worry about bus routes, etc... Therefore, we are able to have school.

I will need to make arrangements for before and after school care. The care I will need is as follows: (please check the appropriate arrangements.) If you are selecting care please note that you will actually pay Springing Up the \$55.00 rather than adding it to your CA payment.

- \$55.00-\$80.00 per week for Cornerstone Students depending on enrollment status
- No care is needed at this time
